

Why you may need **National General**

*Call BMC for details on any plans mentioned here. **800-357-2342***

BMC has enjoyed a strong relationship with the roots of this organization for over 20 years. Some of their excellent products include:

**Accident | Dental | Short Term Major Med |
Fixed Indemnity | Life | Med Supp**

Why you may need **National General**

BMC considers Nat Gen's **Short Term Major Medical** to be among the very best for a variety of reasons, including:

- * **AETNA Network** – *Generally considered to be one of the best PPO Networks in the country.*
- * **Solid Up Front Underwriting** – *Avoid the problems created by other companies “underwrite at claim” philosophies.*
- * **Competitive Premiums** – *Always competitive, often extraordinary.*
- * **Available in Most States** – *Very comprehensive national footprint.*
- * **Strong Agent Compensation** – *Call BMC for details!*

We believe that a \$10,000 STMM combined with the BMC FirstChoice BASIC plan represent the most comprehensive and cost effective alternative to an ACA metal plan available in the industry today!

Why you may need **National General**

Consider NatGen for your ‘stand alone’ Dental needs!

Strong Benefits - \$1,000 or %1,500 annual limit options with rapid advancement to coverage for Major services.

Attractive Premiums – Compare to other similar plan designs – you will be impressed!

Stable Premiums – Premiums start out low and stay that way. Much more stable rate history than most competitors.

Excellent Commissions – Call BMC for details!

Why you may need **National General**
