

National General is a premiere provider of top quality products for a variety of insurance needs. As a primary focus at BMC is to provide quality alternatives to the ACA, the NatGen Short Term Major Med plans make them an ideal partner to our BMC FirstChoice 'defined benefit' plans. In addition, they offer a quality mix of accident and critical illness plans (guaranteed issue!), Medicare Supplement, and more. Click for information on plans of interest below.

Call BMC **800-357-2342** for details!
